Name: John Steuart Richards, MBBS
Title: Visiting Associate Professor of Medicine
Division: Rheumatology and Clinical Immunology

Primary Email: richarsjs@upmc.edu
Secondary Email: john.richards1@va.gov

Key words describing research program:
1) VARA Registry
2) Spondyloarthopathy
3) Rheumatoid arthritis
4) Veteran’s health

Titles for shovel-ready research projects:
1) We are establishing the Pittsburgh VA as a site for the VARA (Veterans Affairs Rheumatoid Arthritis Registry) and PULSAR (Program to Understand the Long-term Outcomes of Spondylarthitis), the latter is similar to VARA but for spondyloarthopathy related diseases. Once established these may serve as a database for research questions for both Fellows and Residents or Medical Students.
